Chairman Silvetti presented and made a motion to approve the **Stiffler McGraw Street Stormwater Drainage Study Proposal** at the cost listed of $6,500.00. He addressed Penn Farm residents in attendance that were affected by the 2018 summer rain events. The Proposal is independent of the Township’s general consulting engineering contract. The study area will involve the Penn Farm Pennington Drive cul-de-sac, the Edgewood Drive area behind this cul-de-sac, Robin and Meadow Lanes, Forsht to Lowry Drives to the outflow and a small section off Wade Lane. The study will look at construction and conveyance and is not intended to address individual lot issues outside of the Township’s ROW. Individual homeowners may be offered suggestions for improving their individual rain event situations. Supervisor Brown seconded the motion to accept the Study Proposal. Supervisor Amigh confirmed that he had received and reviewed the document and is in favor of approving the proposal. The motion to **approve** the **Study Proposal** passed with a unanimous vote.

Chairman Silvetti made a motion to **approve Resolution No. 2018-11**, extending Blair Township’s participation in the **new five-year Agreement** as a member municipality of the **Intergovernmental Stormwater Committee** (ISC). There are no changes to this Agreement from that presented and reviewed at the previous meeting. Blair Township’s Municipal Percentage Allocation is 6.022% of total costs shown. The Supervisors agreed to equalize the payments over the 5-year period, accepting Exhibit 3, with and including the quarterly payment option. Chairman Silvetti intends to address the required Security/Letter of Credit Agreement requirement at the ISC Meeting scheduled for December 20th, noting the 2019 initial quarterly payment would exceed the required 2019 Security amount. Supervisor Brown seconded the motion. The motion to **approve Resolution No. 2018-11** passed with a unanimous vote.

The **O’Reilly Auto Parts Subdivision**, as submitted by David K. Hines of Control Point Associates, Inc., has proposed a 95-day time extension, pending conveyance of property being recorded. Supervisor Brown made a motion to approve the 95-day time extension. Supervisor Amigh seconded the motion. The motion to **approve the review period extension** passed with a unanimous vote.

Supervisor Brown made a motion to **table** the **O’Reilly Auto Parts Subdivision Plan**. Supervisor Amigh seconded the motion. The motion to **table** the **O’Reilly Auto Parts Subdivision Plan** passed with a unanimous vote. The municipal review period will end on March 19, 2019.

The Carpenters Building Addition Land Development Plan, represented by Ben Piper of Keller Engineers was discussed. The required provision for financial security in the amount of $187,399.85 remains outstanding.

Solicitor Routch has prepared the Permanent Easement for Parking and Right of Way Use Agreement. The Agreement was reviewed, and its format accepted by the Supervisors. Supervisor Brown made a motion to approve the Permanent Easement Agreement. The Agreement is to be signed by the property owners and recorded by the Solicitor. Supervisor Amigh seconded the motion. The motion approving the substance and format of the Carpenters Building Permanent Easement Agreement passed with a unanimous vote.

Chris Dutrow commented that the Stormwater Management Ordinance requires submission of an Operation and Maintenance Agreement. Solicitor Routch will draft the Agreement for the Carpenter’s Building Addition Land Development Plan in accordance with the stormwater provisions outlined in the Stormwater Ordinance.

Supervisor Brown made a motion to approve the Carpenter’s Building Addition Land Development Plan pending receipt of Financial Security in the amount of $187,399.85 and the signed Stormwater Operation and Maintenance Agreement. Supervisor Amigh seconded the motion. The motion to conditionally approve the plan passed with a unanimous vote.

Chris Dutrow expressed his concerns regarding the PA DOT-requested Drainage Highway Occupancy Permit for the Snare Land Development. The permit, as requested by PA DOT, assigns long-term responsibility on for the Snare storm water drainage on North Juniata Street. Solicitor Routch prepared an Agreement which would subrogate this responsibility and instead hold the property owner responsible. Chris noted that if the permit methodology has changed, PA DOT should be responsible to discuss it during the planning stages. Ben Piper commented that he would need to submit an entirely different stormwater plan with new calculations, questioning what PA DOT’s repercussions might result if doing nothing were done. He asked that Chris Dutrow provide a letter of consistency stating that any alternative calculations methodology would yield the same stormwater results. Chris stated he would rather understand on what grounds this permitting requirement is being made. Chris Dutrow will follow up with PA DOT.

Following a lengthy discussion, Chairman Silvetti made a motion to table the Township/Snare Agreement and the Drainage HOP application pending Chris Dutrow contacting PA DOT and ascertaining the issues involved. It was noted that the Township has yet to be contacted directly by PA DOT regarding the permit issue. Supervisor Brown seconded the motion. Chairman Silvetti noted that the $2,000 Snare’s SW Fund check was retrieved along with the Agreement by the developer but remains due and payable to the Township’s Stormwater account, as per the Stormwater Ordinance. The motion to table the Drainage Highway Occupancy Permit passed with a unanimous vote.
